Dear Parent/Guardian:

This year's band classes are being organized. The first step in preparation is to introduce all new students to our band instrument options. We are proud to invite them to join the school band program this year.

I hope that you will allow your child to participate in this unique educational opportunity. Band is a year-long scheduled class that meets daily.

To better acquaint you with the program and to register all participating students, the above meetings have been arranged. ***All interested parents and students are encouraged to attend one of the meetings.*** This will allow us to ensure that students will be playing the instrument best suited to them and that proper instrument balance in the class will be maintained.

Since students must furnish their own instrument, arrangements have been made with a reputable, full service music dealer to be at our event. This company has been recognized as a specialist in the school band instrument business for many years, and as a convenience, will present a risk free rental/purchase plan for your consideration.

Please plan to attend a registration meeting so that all students will be ready for the first day of music instruction in band class.

I look forward to seeing you at our meeting.

Sincerely,

Renada Cammon,
RHMS Band Director
